ABOUT DSBA

Dayananda Sagar Business Academy (DSBA) is one of the most reputed institutions in Bangalore. Established in 2011, DSBA offers Post Graduate program in Commerce, Under Graduate programs in Business Administration, Commerce and Computer Applications affiliated to Bangalore University. Accredited with B+ grade by National Assessment and Accreditation Council (NAAC) and recognized by the government of Karnataka, DSBA thrives on the legacy of Dayananda Sagar Institutions (DSI) with reputation of providing value based professional education, catering to more than 20000 students from 20+ different nationalities in varied disciplines for more than five decades.

At DSBA, In addition to academic excellence, we focus on transforming students into competitive global leaders with values and social sensitivity. Students learn in a campus which is safe, secure and Ragging free as per UGC Guideline. Expert faculty with right mix of academic and industry experience facilitate learning and students' overall development while preparing them for rewarding careers.

COURSES Master of Commerce (M Com)

The Masters of Commerce (M Com) is a full-time, two years (4 semesters) post graduate program aimed at imparting quality commerce education to help students become professionals and develop research acumen in the field of Accounting Finance & Commerce. The program enables a close connect with the practitioners through practise based learning and live industry projects. Right mix of self-learning, peer learning, sessions by industry professionals and academicians enhances the student learning outcomes and widens their career options. M Com Also prepares students for career in academic research and teaching. Augmentation of university curriculum through additional certification courses, soft skill training, live projects, simulation, expert sessions, workshops, industry visits and club activities prepare students to be the most sought after and take up challenging roles.

Bachelor of Commerce (B Com)

The Bachelor of Commerce (B Com) is a full-time, three years (6 semesters) undergraduate program aimed at preparing young graduates to take up challenging careers in commerce, finance, taxation, accountancy and other related functions of business. With the implementation of New National Education Policy (NEP 2020), students get an opportunity to pursue Honours or Research in the 4 th year. Besides, it encourages students to pursue professional courses such as CA / CS / CMA. The program also equips graduates with required skill sets such as analytical thinking, decision-making, interpersonal and technical skills..

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration (BBA) is a full-time three years (6 Semesters) undergraduate program aimed at preparing young graduates to take up challenging careers in business administration and entrepreneurship. With the implementation of New National Education Policy (NEP 2020), students get an opportunity to pursue Honours or Research in the 4 th year. BBA is designed to be intensive in both academic and co-curricular inputs. Curriculum promotes adoption of a multi-pronged methodology of teaching through skill development activities, regular internship and entrepreneurship.

Bachelor of Computer Applications (BCA)

Bachelor of Computer Applications (BCA) is a three years (6 Semesters) undergraduate program. With the implementation of New National Education Policy (NEP 2020), students get an opportunity to pursue Honours or Research in the 4 th year. With hands-on training of software development, this program empowers students with concepts and skillsets of computer science and enables students to apply learnings in real time projects. The program provides sound academic base for an advanced career in computer applications..
