

Industrial Visit to Derbi - Incubation Center

Coordinated by: Dr. Soumya R & Prof. Juri Dhekial

Event Date: 26th November 2025

Venue: DERBI

Academic Year : 2025 – 26

The Dayananda Sagar Entrepreneurship Research & Business Incubation (DERBI) Foundation, established in 2015 as a Section-8, not-for-profit incubator, is dedicated to nurturing innovation, research, and entrepreneurship. Through its structured programs—PACE (pre-incubation), GALLOP (incubation), and EMERGE (acceleration)—DERBI empowers early to growth-stage startups with mentoring, technical guidance, prototyping support, lab access, business strategy, market linkages, and investor connects. With a strong focus on healthcare, deep-tech, and social-impact ventures, and global collaborations like the Social Innovation in Health Initiative (SIHI), DERBI serves as a catalyst for transforming ideas into scalable, impactful enterprises.
