

INDUSTRIAL VISIT TO HYDAX Pvt. Ltd.

Coordinated by: Mrs. Chaitra N S Murthy

Event Conducted on: 14-07-2025

Venue: HYDAX Pvt Ltd

Academic Year: 2025 – 2026

Hydax Private Limited is a reputed manufacturer specializing in precision-engineered hydraulic equipment and components. The company serves sectors such as automotive, aerospace, agriculture, and heavy machinery, and is known for its innovation, commitment to quality, and customer-centric approach.

The primary objective of the visit was to provide students with real-time exposure to industrial manufacturing practices and business operations. This initiative aimed to bridge the gap between theoretical instruction in the classroom and practical applications in the field. By observing and interacting with industry professionals, students were intended to gain valuable insights into engineering practices, operational workflows, and corporate culture.
