

Industrial Visit to Hindustan Coca-Cola Beverages Pvt Ltd

Coordinated by: Prof. Sudeep Shetty

Event Date: 06th November 2025

Venue: Hindustan Coca-Cola Beverages Pvt Ltd

Academic Year : 2025 – 26

The students visited **Hindustan Coca-Cola Beverages Pvt. Ltd.** as part of the institution's experiential learning initiative. The visit provided students with first-hand exposure to beverage manufacturing and industry operations, including production processes, quality control, packaging, supply chain management, safety practices, inventory, and distribution. Interaction with industry professionals enabled students to understand the practical application of classroom concepts and gain insights into modern manufacturing practices, operational efficiency, technology adoption, and professional work culture. The visit effectively bridged the gap between academic learning and industry requirements while enhancing students' practical knowledge, industry awareness, and professional skills.
