

### **Industrial Visit to Sea Shell Plastics Company (Pvt. Ltd.)**

**Coordinated by:** Assistant Prof. Vaibhava

**Event Date:** 21<sup>st</sup> July 2025

**Venue:** Kanakapura Industrial area

**Academic Year :** 2025 – 26

The industrial visit provided the students with comprehensive exposure to the plastic manufacturing sector. They acquired valuable insights into the use of raw materials, the application of production techniques, and the diverse utility of plastic bottles across various industries. Furthermore, the visit reinforced their academic understanding of industrial operations and supply chain management. Overall, the experience proved to be highly informative and professionally enriching.
