

Industrial Visit to Toyota Kirloskar Motor Pvt Ltd

Coordinated by: Prof. T S Srilalitha

Event Date: 12th November 2025

Venue: Toyota Kirloskar Motor Pvt Ltd

Academic Year : 2025 – 26

Students visited **Toyota Kirloskar Motor Pvt. Ltd.** as part of the institution's experiential learning initiative, gaining first-hand exposure to modern automobile manufacturing and management practices. The visit provided insights into vehicle assembly, production planning, quality control, lean manufacturing, supply chain management, workplace safety, and the use of advanced technology in automobile production. Students also gained an understanding of Toyota's focus on continuous improvement, operational efficiency, teamwork, and customer-centric practices. The industrial exposure helped students connect theoretical concepts with real-world applications while enhancing their practical knowledge, industry awareness, and professional skills.
